

CURRENT POSITION Working Professional	TARGET GOAL Start a Business / Grow on LinkedIn	TIMELINE 12 Months
---	---	--

 Current Position & Strengths

Existing Skillset Web Development Marketing / Sales Design	Key Strengths - Can build & ship your own product/website end-to-end (dev + design) - Understands persuasion, funnels & positioning (sales/marketing) - Rare full-stack founder combo: builder + marketer + designer
---	---

 Skill Gap Analysis

Area	Gap	Why It Matters
Personal Brand	No LinkedIn authority yet	Audience = distribution = free customer acquisition
Offer & Niche	Undefined niche/offer	Clarity converts; vague offers don't sell
Content Systems	No consistent content engine	Growth compounds only with consistency
Sales Ops	No repeatable sales process	Needed to convert audience → revenue
AI Leverage	Limited AI tool fluency	10x speed on content, dev, and ops

 Recommended Learning Plan

Phase	Focus	Key Topics
Months 1-2	Foundation	Niche selection, personal brand positioning, offer design, LinkedIn profile optimization
Months 3-5	Content Engine	Copywriting, storytelling, content calendar, AI writing tools (ChatGPT/Claude), design templates (Canva/Figma)
Months 6-8	Sales & Product	Landing page + funnel build, pricing strategy, cold outreach, DM-to-sale scripts
Months 9-12	Scale	Automation, email list building, paid ads basics, community/network building

 Suggested Projects

- Personal Website/Portfolio** — showcase services, case studies, and lead capture (uses your dev+design skill)
- Micro-Offer Launch** — one paid service/product under \$200 to validate demand fast
- 30-Day LinkedIn Content Sprint** — daily posts on your niche to build initial audience
- Case Study / Build-in-Public Log** — document the business build itself as content

 Networking Strategy

- Engage daily with 10-15 target-niche creators/founders on LinkedIn (comment before you post)
- Join 2-3 founder/creator communities (Slack/Discord) relevant to your niche
- Host or join 1 monthly Twitter/LinkedIn Space or podcast guest slot by Month 6
- Build a "warm 50" list — DM relationship-building, not pitching

 Monthly Milestones

M1-M3 - Niche + offer locked - LinkedIn optimized 50 posts published
M4-M6 500+ followers - First paid client/sale - Portfolio site live
M7-M9 - Repeatable sales process 3-5 clients or steady revenue - Email list started
M10-M12 2,000+ followers - Predictable monthly revenue - Team/automation in place

🔪 Immediate Next Actions (This Week) 1. Pick your niche + write a one-line offer statement 2. Rewrite LinkedIn headline & banner around that offer 3. Publish your first 3 posts (problem, story, insight) 4. List 20 target accounts to start engaging with daily
